NEXT GENERATION LITERACIES SUMMER SCHOOL 2023

LANGUAGE DIVERSITY, EDUCATION AND SOCIAL PARTICIPATION

28 August - 01 September 2023

For all students interested in the fields of educational linguistics, literacies, multilingualism, and second language acquisition: this virtual summer school will familiarise you with current research on (multi)literacies development in multilingual contexts.

Join us to experience the following:

- A one-week online programme of 10 lectures, group discussions & activities
- Internationally renowned experts that cover the educational biography, from pre-school to the labour market
- The opportunity to earn a certificate of participation or 3 credit points
- Social and intellectual enrichment with an international group of students and early-career researchers

What last year's participants said:

"I had the opportunity to look at the diversity of our society from the perspective of multilingualism"

"It was wonderful to get to know researchers from all over the world that focus on different aspects of multilingualism"

"Great way to share everyone's ideas, research and knowledge. I had fun and learned a lot"
